Notwithstanding anything contained herein to the contrary, the Developer shall be responsible for the initial construction, installation and landscaping of the stormwater, drainage and retention areas, entry monuments, the cul-de-sac island, street trees and their related landscaping and lighting elements (all as described below). Nothing contained herein shall constitute a waiver by the Developer to subsequently assess the costs of all, or a portion thereof, of the above-mentioned construction, installation and landscaping to the Association pursuant to a separate agreement.

3.3 Land Use and Building Type.

- (a) No Lot shall be used for any purpose except for single-family residential purposes as defined by the Village Zoning Ordinance. ACC, may in its discretion, require stricter standards or, conversely, may relax standards on a case by case basis if it reasonably determines that such modified standards are required for the benefit of the entire Property, provided such variance is not in conflict with the dedications and restrictive covenants running with the land as described on the final plat or the obligations imposed by the Declaration on Owners or the requirements of the Village ordinances. Further, the Developer may require reasonable alterations to be made to any of the plans to be submitted under this Declaration and said requirements shall be binding upon each and every Owner. In the event of ACC approval, no plans shall be altered or changed prior to submittal to the Village without ACC re-approval.

In the event of a conflict between the provisions of this Declaration and the Village ordinances and the Village ordinance is stricter than the provision contained herein, the Village ordinance shall control. #### **ARTICLE VI** **PROPERTY RIGHTS IN THE COMMON AREAS**

- 6.1 **Owner's Easements of Enjoyment.** Subject to the provisions herein, every Owner shall have a right and easement of benefit and/or enjoyment in any Common Areas acquired by the Association which shall be appurtenant to and shall pass with the title to every Lot.
- 6.2 **Title to Outlots.** Title to the Outlots 1, 3 & 4 shall be conveyed to the Association by quit claim deed from the Developer. Members shall have the rights and obligations imposed by this Declaration with respect to such Common Areas. The Entry Monuments shall be located on easements for the benefit of the Association and the Entry Monuments shall be maintained, operated and administered by the Association.

- 6.3 Extent of Owner's Easements. The rights and easements of benefit and/or enjoyment created hereby shall be subject to the following:
- (a) The right of the Association, but subject to the prior written approval of the Village to dedicate or transfer all or any part of any Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Board of Directors; and
  - (b) The right of the Association, but subject to prior written approval of the Village, to mortgage any or all of the Common Areas and facilities constructed on the Common Areas for the purposes of construction or maintaining improvements or repair to Association land or facilities pursuant to approval of the Board of Directors.
- 6.4 Damage or Destruction of Common Areas by Owner. In the event any Common Area, Landscape, Access and Maintenance Easement or any portion of the parkway, street tree, curb, gutter, pavement, water, storm sewer, drainage, or sanitary sewer systems servicing the Property is damaged or destroyed by an Owner or any of his contractors, guests, tenants, licensees, agents, or members of his family, such Owner does hereby authorize the Developer, the Association or the Village to repair said damaged areas; the Developer, the Association or the Village, as determined by the Village, shall repair said damaged area in a good workmanlike manner in conformance with the original plans and specifications of the area involved, or as the area may have been modified and approved by the Village. If the Developer, the Association or the Village exercises its rights to do so, it will assess the beneficial owners the amount necessary for such repairs, together with ten percent (10%) for overhead, shall be a special assessment upon the Lot of said Owner and shall accrue interest at the annual rate of eighteen percent (18%) unless paid in full within fifteen (15) days after notice to pay. Any such damage not caused by an Owner shall be the responsibility of the Association.
- 6.5 Right to Enter and Maintain. The Developer and the Association and the respective easement grantees are hereby granted an easement and, consequently, shall have the right to enter upon any Outlot and/or Lot, at reasonable notice to the Owner, for the purpose of repairing, maintaining, renewing, or reconstructing any utilities, facilities, retention areas, drainage systems, sewer and water systems, impoundments or other improvements which benefit other Outlots, Lots or Ashbury Creek Subdivision as a whole, in addition to benefiting such Lot. If such Lot contains public utilities or facilities having an area-wide benefit which are maintained by the Village, the Village, following prior written notification to the Developer may, if necessary, maintain such facilities in good working order and appearance, enter upon any Lot in order to repair, renew, reconstruct, or maintain such facilities or utilities and may assess the cost, if such cost is not traditionally assumed by the Village and/or prior to acceptance of such public improvements, to the Owners. No prior written notification shall be required for emergency repairs.
- 6.6 Ponds. Storm water retention facilities located within Outlot 2 have been designed as a storm water management and water quality device and are not intended as a recreational feature. Swimming, fishing, boating, ice skating and any other activity other than described herein is prohibited.
- 6.7 Disclaimer. The Developer shall convey the above mentioned Outlots to the Association "as is" and without warranty, express or implied, of condition, quality of construction, fitness for a particular use or otherwise. The Association shall be responsible for obtaining adequate liability insurance for the Common Areas. The Developer shall have no liability for damage or injury to any persons or property arising from the existence or

use of the Common Areas. The Association shall indemnify and hold the Developer harmless against any and all claims relating to the Common Areas.

## **ARTICLE VII** **COVENANT FOR ASSESSMENTS**

- 7.1 Creation of the Lien and Personal Obligation of Assessments. The Developer hereby covenants and each Owner of any Lot by acceptance of the deed thereof, whether or not it shall be so expressed in such deed, is deemed to covenant, assume and agree to pay to the Association (1) annual general assessments or charges; (2) special assessments for capital improvements and repairs to the Common Areas; (3) special assessments for exterior maintenance to Lots and repairs to Common Areas; and (4) special assessments as provided in Sections 6.4 and 8.3. All such assessments, together with interest thereon and costs of collection thereof, including attorney's fees, shall be (a) a charge on the land and a continuing lien upon the Lot against which such assessment is made and (b) the personal obligation of the person who was the Owner of such property at the time of the assessment.

Notwithstanding any other provision in this Declaration to the contrary, the Developer shall be liable to the Association for the above mentioned assessments to the extent of one-quarter (25%) of the total assessments due, provided for in this Article VI of the Declaration, for every Lot owned by the Developer in Ashbury Creek Subdivision. Every subsequent Owner, who has purchased a Lot from the Developer or any other Owner, shall be subject to the entire amount of the assessment due and shall pay the same or prorated amount in the year of closing to the Association. In the event the assessments collected under Article VII are insufficient to cover the cost of performing the obligations as are contained within this Declaration and as imposed by the final plat, and the Developer continues to own Lots on which it pays only twenty-five percent (25%) of the assessments as set forth under this Article VII, the Developer shall be responsible for up to one hundred percent (100%) of the assessments on such Lots to the extent necessary to cover the deficiency. Any further deficiency may be assessed against all of the Owners in the form of a special assessment under this Article VII.

7.2 Annual General Assessment.

- (a) Purpose of Assessment The annual general assessment levied by the Association each year shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and, in particular, for the improvement, construction, maintenance, policing, preservation and operation of the Common Areas, in accordance with the requirements set forth herein and those obligations and restrictive covenants set forth on the final plat including, but not limited to, the cost of labor, equipment, materials, insurance, management and supervision thereof and fees paid for auditing the books of the Association and for necessary legal and accounting services to the Board of Directors.
- (b) Determination of the Assessment. The Board of Directors shall prepare and annually submit to the Members a budget of expenses for the ensuing year for payment of all costs contemplated within the purposes of the annual general assessment described in Section 7.2(a). Upon adoption and approval of the annual budget by a majority of the Members, the Board shall determine the assessment by dividing the amount of the budget among all fully improved Lots equally. The rate of assessment shall not be limited by the amounts set forth in Wisconsin Statutes, § 779.70.

- (c) Method of Assessment The assessment for each Lot shall be levied at the same time once in each year. The Board shall declare the assessments so levied due and payable at any time after thirty (30) days from the date of such levy (with an option for payment in monthly installments if approved by the Board), and the Secretary or other officer shall notify the Owner of every Lot so assessed of the action taken by the Board, the amount of the assessment of each Lot owned by such Owner and the date such assessment becomes due and payable. Such notice shall be mailed to the Owner at last known post office address by United States mail, postage prepaid.
- (d) Date Commencement of Annual General Assessments. Annual general assessments shall commence on the date as determined by the Developer in its sole discretion.

7.3 Special Assessment for Capital Improvement and Repairs to Drainage System. In addition to the annual general assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year and not more than the next two succeeding years for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of capital improvements upon the Common Areas, including fixtures and personal property related thereto, and extraordinary expenses incurred in the maintenance and operation of the Common Areas and Facilities. Special assessments may also be levied to defray the costs of replacing or repairing all pipes, drains, grates and other appurtenances (not otherwise owned by the Village of Pleasant Prairie) located within any Storm Water Drainage, Access and Maintenance Easement area.

7.4 Special Assessment for Exterior maintenance to Lots.

- (a) Exterior Maintenance to Lots. In addition to the maintenance upon the Common areas described in Section 7.2, the Association may, at the request of the Owner of any Lot or in the event the Owner of any Lot fails to maintain the exterior of any buildings or improvements on the Lot or the Lot itself in reasonable condition, provide exterior maintenance upon each Lot as follows: (i) paint, repair, replace and care for roofs, gutters, down spouts, exterior improvement; and (ii) lawn cutting, shrub and tree trimming, driveway and walk shoveling and window cleaning. The Association, its agents, contractors and subcontractors shall have all necessary rights of ingress and egress to and from such Lot, building, or improvement with full right to do whatever may be necessary to perform any such maintenance, repair, or replacement.
- (b) Assessment of Cost. The cost of such exterior maintenance, together with ten percent (10%) for overhead, shall be assessed against the Lot upon which such maintenance is performed and, if not paid within thirty (30) days of written notice of the amount of such assessment, shall accrue interest at the annual rate of eighteen percent (18%). Such special assessment shall constitute a lien and obligation of the Owner and shall become due and payable in all respects as herein provided.

7.5 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinated to the lien of any first mortgage on the lot.

7.6 Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charges and liens created herein: (i) all properties not within any Lot to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (ii) all Common Areas; and (iii) all properties exempted from taxation by state or local governments upon the terms and to

the extent of such legal exemption. Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from the assessments, charges, or liens.

- 7.7 Joint and Several Liability of Grantor and Grantee. Upon any sale, transfer, or conveyance, the grantee of a Lot shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Article up to the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessments and any such grantee shall not be liable for, nor shall the Lot be conveyed subject to a lien for, any unpaid assessment against the grantor pursuant to this Article in excess of the amount therein set forth. If the Association does not provide such a statement within fifteen (15) business days after the grantee's request, it is barred from claiming under any lien which was not filed prior to the request for the statement against the grantee.
- 7.8 Interest on Unpaid Assessment. Any assessment under this Article VII which is not paid when due shall thereafter, until paid in full, bear interest at the rate of eighteen percent (18%) per annum. In addition to the interest charges, a late charge of up to Fifty Dollars (\$50.00) per day may be imposed by the Board of Directors against an Owner if any balance in common expenses remains unpaid more than thirty (30) days after payment is due.
- 7.9 Effect of Nonpayment of Assessments: Remedies of the Association. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or abandonment of his Lot. If the Association has provided for collection of assessments in installments, upon default on the payment of any one or more installments, the Association may accelerate payment and declare the entire balance of said assessment due and payable in full. If the assessment levied against any Lot remains unpaid for a period of sixty (60) days from the date of levy, then the Board may, in its discretion, file a claim for maintenance lien against such Lot in the office of the Clerk of Circuit Court for Kenosha County within six (6) months from the date of levy. Such claim for lien shall contain a reference to the resolution authorizing such levy and date thereof, the name of the claimant or assignee, the name of the person against whom the assessment is levied, a description of the Lot and a statement of the amount claimed and shall otherwise comply in form with the provisions of Wisconsin Statute § 779.70. Foreclosure of such lien shall be in the manner provided for foreclosure of maintenance liens in said statute or any successor statute.
- 7.10 Reduction of Assessments. Notwithstanding anything contained herein to the contrary, the Developer and/or Association shall not have the power to discontinue the collection of assessments and charges or reduce such assessments or charges to a level which, in the opinion of the Village, would impair the ability of the Developer, Association, or the Owner to perform the functions as set forth herein and in the final plat. Any proposed elimination or material reduction in the assessments or charges against Owners shall meet with the approval of the Village.

## ARTICLE VIII **ENFORCEMENT, TERMINATION, MODIFICATION**

- 8.1 Right to Enforce. This Declaration and the covenants contained herein and on the final plat are enforceable only by the Developer and/or the Association and/or the Village or

such person or organization specifically designated by the Developer, in a document recorded in the office of the Kenosha County Register of Deeds, as its assignee for the purpose thereof.

- 8.2 Manner of Enforcement. This Declaration and the covenants contained herein and on the final plat shall be enforceable by the Developer and its assigns and/or the Village in any manner provided by law or equity, including but not limited to one or more of the following:
- (a) Injunctive relief;
  - (b) Action for specific performance,
  - (c) Action for money damages as set forth in this Declaration; and
  - (d) Performance of these covenants by the Developer and/or the Village on behalf of any party in default thereof for more than thirty (30) days, after receipt by such party of notice from the Developer or the Village describing such default. In such event, the defaulting Owner shall be liable to the Developer or the Village for the actual costs (plus ten percent [10%] for overhead) related to or in connection with performing these covenants.
- 8.3 Reimbursement. Any amounts expended by the Developer and/or the Village in enforcing these covenants, including reasonable attorney fees, and any amounts expended in curing a default on behalf of any Owner or other party, shall constitute a lien against the subject real property until such amounts are reimbursed to the Developer and/or the Village, with such lien to be in the nature of a mortgage and enforceable pursuant to the procedures for foreclosure of a mortgage.
- 8.4 Failure to Enforce Not a Waiver. Failure of the Developer or assigns and/or the Village to enforce any provision contained herein shall not be deemed a waiver of the right to enforce these covenants in the event of a subsequent default.
- 8.5 Right to Enter. The Developer and/or the Village shall have the right to enter upon any building site or other Lot within the premises for the purpose of ascertaining whether the Owner of said Lot is complying with these covenants and if the Developer and/or the Village so elects under Section 8.2(d) for the purpose of performing obligations hereunder on behalf of a party in default hereof.
- 8.6 Village Authority. In the event the obligations contained herein and as continued in the final plat are not performed to the satisfaction of the Village, the Village shall have the right, but not the obligation, to perform such function and may assess any charges incurred in the performance of such covenants against the Association and/or the Owners. Any amounts expended by the Village in enforcing these obligation, including reasonable attorney fees, and any amounts expended in curing a default on behalf of any Owner or other party, shall be paid by the Owner. In the event such amounts are not paid, the charges may be levied as a special assessment by the Village in Accordance with Wisconsin Statutes.
- 8.7 Dedications/Restrictive Covenants/Easements. Each and every Owner of a Lot shall be subject to and bound by the easements, dedications and restrictive covenants as are set forth on the final plat and contained herein.
- 8.8 Conflict and Failure to Mention. In the event of a conflict between the provisions of this Declaration and the Village ordinance, and the Village ordinance is stricter than the provision contained herein, the Village ordinance shall control. Failure to mention a

requirement, with respect to any Lot and single-family home to be built thereon, or other necessary approval in this Declaration shall not imply that no such requirement exists with the Village and shall not constitute a waiver of such Village requirement and/or approval. Each and every Owner shall be solely responsible to insure that the Village ordinance is adhered to and shall be subject to the appropriate Village approval process for construction of a single-family home on a Lot.

## **ARTICLE IX** **GENERAL PROVISIONS**

- 9.1 **Term and Amendment.** Unless amended as herein provided, this Declaration shall run with the Property and be binding upon all persons claiming under the Developer and shall be for the benefit of and be enforceable solely by the Association for a period of fifty (50) years from the date this Declaration is recorded and shall automatically be extended for successive periods of fifty (50) years unless an instrument signed by the Owners of two-thirds (2/3) of the Lots has been recorded, agreeing to terminate this Declaration in whole or in part. For the first fifteen (15) years following the date this Declaration is recorded, this Declaration may be amended, at any time by written declaration, executed in such manner as to be recordable, setting forth such annulment, waiver, change, modification, or amendment executed: (a) solely by the Developer until such time as Developer conveys all Lots to other Owners (other than by multiple sale of Lots to a successor Developer), and thereafter (b) by Owners of seventy-five percent (75%) of the Lots (such Owners and percentage to be determined as provided in Article V), provided the written consent of the Developer or its successors and assigns is first obtained, so long as the Developer, or its successors and assigns shall own any lots. Subsequent to such fifteen (15) year period, this Declaration may be amended by written declaration executed by at least seventy-five percent (75%) of the Lots subject to this Declaration provided the prior written approval of the Village is obtained. Such written declaration shall become effective upon recording in the office of the Register of Deeds of Kenosha County, Wisconsin. All amendments shall be consistent with the general plan of development embodied in this Declaration.
- 9.2 **Notices.** Any notice required to be sent to any Member or Owner under the provisions of the Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailings.
- 9.3 **Disclaimer.** The Developer shall not be responsible for the damage, loss or destruction to any vegetation or trees as a result of any infrastructure installation or improvements including but not limited to sewer, water, storm drains, gas pipes, electric, cable, telephone, curb, gutter, paving, grading or any other improvement for the benefit of the properties.
- 9.4 **Enforcement.** To the extent that other specific remedies are not provided herein, upon the occurrence of a violation of the covenants, conditions and restrictions set forth in this Declaration, the Association shall give the Owner written notice of the violation and if such violation is not remedied within five (5) days after notice, or if a second occurrence of such violation shall occur within six (6) months of the original notice of such violation from the Association, the Association may levy a fine in the amount of Five Hundred Dollars (\$500.00) and an additional fine of One Hundred Dollars (\$100.00) for each day thereafter the violation continues. All fines levied by the Association shall constitute a special assessment and a lien on the Lot of the Owner who caused the violation and if a fine is not paid within fifteen (15) days after written notice of such fine, the amount due shall accrue interest at the rate of eighteen percent (18%) annually. Enforcement of these

covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or recover damages, and against the land to enforce any lien created by these covenants. Failure of the Association to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

9.5 Severability. Invalidation of any of the provisions of this Declaration, whether by court order or otherwise, shall in no way affect the validity or the remaining provisions which shall remain in full force and effect. Said invalid or illegal provision will be modified to reflect, as close as possible, the original intent of the former invalid or illegal provision, but in such a manner so as to make said provision valid and legal.
